About Us

Promax Safety Training is KHDA approved training center in Dubai. We are here to fulfil all your Health and Safety Training needs. Our company was established as a training solutions provider focusing on the Health, Safety and Environmental areas with total conformance to international standards and in compliance with the local laws and regulations in the UAE.

Promax Safety is competent to serve a highly divergent organizational spectrum covering all different sectors from hospitality to construction; from oil & gas to telecom. We offer internationally recognized accredited courses from globally renowned Safety Health and environment organizations in addition to soft skills training and bespoke training solutions that aims to excel at both individual and corporate levels.

Our commitment is to ensure continuing professional services in line with the best business practices, current HSE requirements, and the most advanced world class standards. Our team of highly qualified trainers deliver state of the art training in different languages.

Our Mission

We envision ourselves as the top quality HSE Training Provider in UAE in particular and GCC at large with a solid reputation for offering excellent and the most advanced training solutions

We define our mission as creating safety (HSE) awareness among organizations and individuals and enabling them to follow national and international Health Safety and Environment best practices and relevant local regulations. Our mission also involves helping them with effective and proper training solutions and practical applications in real time situations to minimize and eliminate risk, and create a safe and lively workspace. We also provide assistance to organizations to monitor and achieve compliance with applicable HSE statutes and requirements

At Promax we always strive to achieve customer satisfaction, quality work, business integrity, mutual trust and fairness in dealings.

Our Responsibility

To our Customers

We will deliver our promises in full. We will always provide the best of products and services at all times. We will strive to exceed customer expectation and ensure their total satisfaction. We will always maintain the highest standard of professionalism. We will focus on continuous improvement to ensure superior value.

To our Community

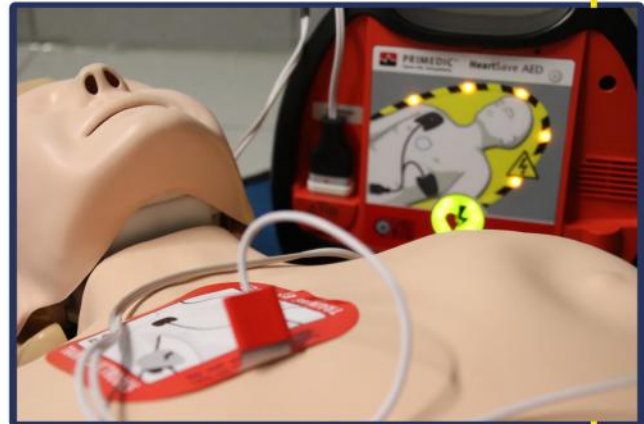

We will remain committed as a professional organization whose quality standards are in line with the social obligations and government regulations. We will participate in activities promoting awareness towards Health, Safety and the Environment and all initiatives towards a green community.
